Education

Graphic Era Deemed to be University, Dehradun <i>M.Tech in Computer Science & Engineering</i>	2023 - 2025 8.47/10 CGPA
Graphic Era Deemed to be University, Dehradun <i>Master in Computer Applications</i>	2021 - 2023 9.01/10 CGPA
Hemvati Nandan Bahuguna Garhwal University, Srinagar <i>Bachelor in Science</i>	2018 - 2021 7.05/10 CGPA

Projects

CrickInformer

- Developed a Java-based meaven web application for real-time cricket match updates, including live scores, player statistics, and match analysis.
- Made a comprehensive solution using Spring Boot, Spring JPA, Hibernate , MySQL, React for improved the project performance and streamlined the development process.

Automated Details via Face Recognition

- Formulated an innovative student details system utilizing facial recognition technology to automate and streamline data tracking.
- Integrated Python with cutting-edge machine learning libraries and a MySQL database to ensure efficient data processing and management.
- The Solution works on Real-time facial recognition with a 95% accuracy rate, drastically reducing false negatives .

TechBlog

- Engineered a feature-rich blogging platform with advanced content management capabilities.
- Created the meaven java application using Hibernate, MySQL, HTML, CSS, Ajax, Servlet, and JSP, ensuring a seamless and responsive user experience along with a authentication for users.

Personal Portfolio

- Designed a personal portfolio webpage to effectively showcase skills, projects, and achievements in a professional manner.
- Implemented the user interface using HTML, CSS, and React, ensuring a visually appealing and intuitive experience.
- Deployed the website on GitHub with complete Git integration for version control, enabling quicker updates and efficient project management while managing multiple commits.

Technical Skills

Languages: Java , C , Python

Framework & Libraries:Spring Framework(Spring MVC, Spring ORM, Spring Boot), Hibernate, Servlet, JSP

Web Technologies: React, HTML, CSS, JavaScript, Bootstrap

Database: MySQL

Developer Tools: Postman, VS Code, GitHub, Rest APIs

Achievements and Certificationss

- Solved **250+** problems on Leetcode and gfg .
- Coordinated the 6th World Congress on Disaster Management, took place in December 2023, overseeing all aspects of the event's organization.
- Organised National Seminar on Himalyan Millets.
- Having Certifications in** Cyber Security: Tools, Techniques and Counter Measures (Swayam, May 2024) & Java Programming (Udemy, Jan 2022).
